#### Part III Your Activities

1 Describe completely and in detail your past, present, and planned activities. Do not refer to or repeat the purposes in your organizing document or speculate about potential future programs. Your narrative description of activities should be thorough and accurate because we determine whether you qualify for exempt status based on the information in your application.

For each past, present, or planned activity, include information that answers the following questions:

- · What is the activity?
- · Who conducts the activity?
- · Where is the activity conducted?
- What percentage of your total time is allocated to the activity?
- How is the activity funded (for example, donations, fees, etc.) and what percentage of your overall expenses is allocated to this
  activity?
- How does the activity further your exempt purposes?

The organization is completely volunteer run. The club's primary activities are offering AKC (American Kennel Club) specialty dog shows and supporting performance activities for purebred Cardigan Welsh Corgi dogs.

The activities generally are in the geographic area designated by the AKC for the club (which is primarily the I-5 corridor in WA from Bellingham to Chehalis) but as the northwest chapter can include activities in Alaska, Idaho, Montana, Oregon and Washington.

The club raises funds from membership dues, entry fees for events, and general fundraising for sponsorships.

As part of the events, the club educates both the community and members of the proper conformation of Cardigan Welsh Corgi dogs and how to engage in dog performance activities (such as herding, agility, rally, obedience, scentwork, fastCAT & lure coursing)
